

# Rasmus Solbjørn Richter Johannsen

Danmarksgade 11 9000 Aalborg  
22 39 18 18  
Rssearj@gmail.com

26 year old Interaction Design student at Aalborg University.

I am particularly interested and experienced in working with people, be they potential users or fellow team members.

As a designer I am focused on being organized, extracting insights from chaotic situations and utilizing them to create effective, simple, and distinctly human designs.
